UNITED STATES DISTRICT COURT-FEE. 27.—Before Instite PEXENDET.

A SWETT-SCENTED PORFEITURE.

The United States Court has been engaged for three days past in the trial of a charge against a quantity of Founds and Perfumery, allead to have been undervalued with intent to defrend the revenue, and which trial resulted vestorably in a wedie for the Government.

In December, 1864, H. Berin, an importer in Philadelphis, entered at this post a quantity of this merchandise at an invoice police, which was increased by the Government spiralers about 11 per cent to make market value in Faris, the place of perchase. The defendant swore positively that he place of perchase. The defendant swore positively that he place of perchase. The defendant swore positively that he part for the goods exactly the aim at which they were centred. The Government introduced several witnesses, who twithed to the market value does not be him.

Mr. Ethan Alem, Assettant United States District Attenney, contended for the persecution that disinterested morehents who were faminar with the article, having fixed the market value beyond a doubt as above that named in the invoice, a famoulent intent was to be inferred on the part of the importationed of the critical market contents of the trade number designating the quality of the critic, and form the other incumatances of the case.

The importation was valued at about \$1,000. The jury gave a verdict for the United States.
